

## Install Desktop Shortcut

Quickly access your account by installing this Desktop Shortcut.

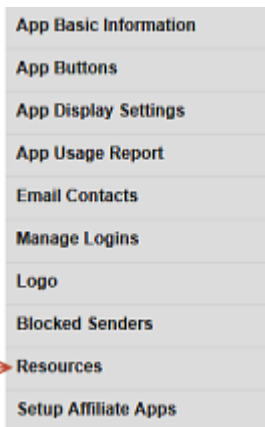

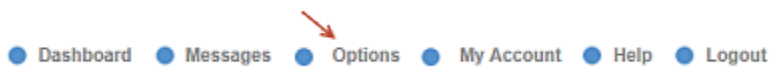

From the Dashboard:

1. Click the 'Downloads' button under Marketplace on the right.

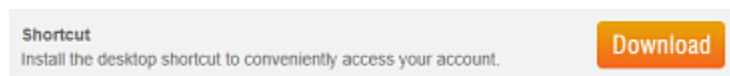

Or

2. Select 'Options' in the header.

3. Choose 'Resources'.

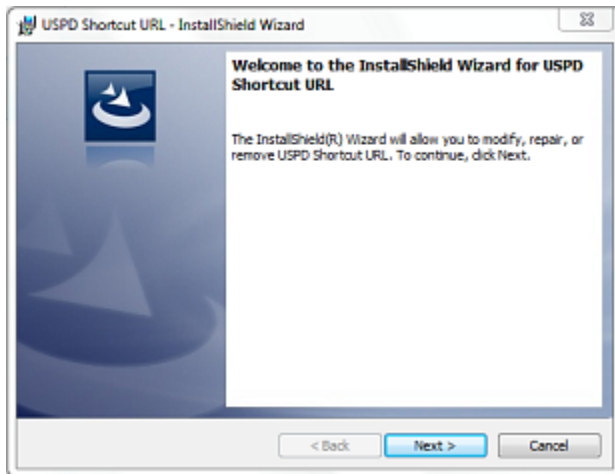

4. Select 'Shortcut' and click 'Download'.

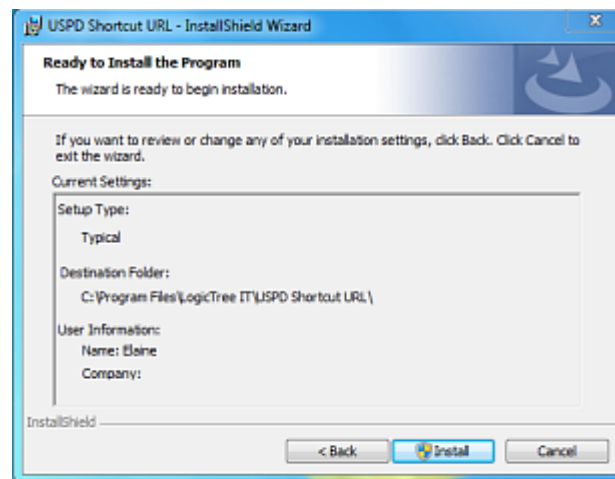

5. Select the arrow next to save at the bottom of the screen and choose 'Save & Run'.

6. The install wizard will appear; click 'Next'.

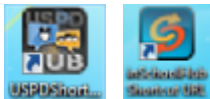

7. Wait while the Installer prepares the install; then select 'Install' when the

window indicates it is ready.

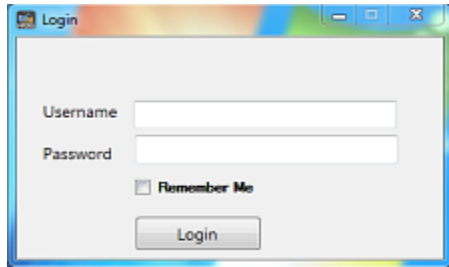

8. When the installation is complete click 'Finish'.

9. A shortcut icon for your particular Hub product that looks similar to these

will now appear on your desktop.

10. Double click the icon and enter your username and password.
