

Search for Contact

From the Dashboard:

1. Select 'Options' in the header.

2. Select 'Email Contacts'.
3. Enter a name or email address in the Contact Search box.

A screenshot of a 'Contacts' search box. It has a blue header with the word 'Contacts' in white. Below the header is a yellow box containing the text 'Contact Search:' followed by a white input field and an orange 'GO' button.

4. Click 'Go' and the results will be displayed.
