

'Push' Bulletins

From the Dashboard or Menu:

1. Select 'Bulletins'.

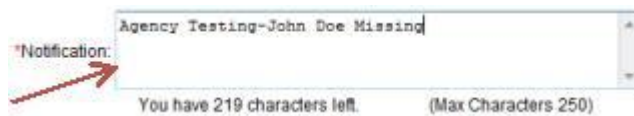

2. Select the radio button by the bulletin you wish to push.

3. Select 'Push Notification' on the right.

4. You may add a note.

5. Click ' Send'  and the bulletin will be sent immediately.
6. An alert will sound on the user's smart device with the notification that directs them to your App to view the bulletin.
