

Schedule Push Notifications

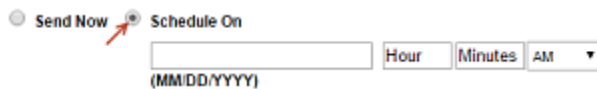

From the Dashboard:

1. Select the icon you have chosen for your 'Push Notifications'.
2. Type your message in the notification box following your pre-populated name. Note: There is a limit of 250 characters.

A screenshot of a web form. On the left, there is a red asterisk followed by the text '*Notification:'. To the right of this is a text input box containing the text 'Agency Testing-'. Below the input box, there is a status message: 'You have 235 characters left. (Max Characters 250)'.

3. To schedule your push for a later time, choose the radio button by

A screenshot of the scheduling options. There are two radio buttons: 'Send Now' and 'Schedule On'. The 'Schedule On' radio button is selected, and a red arrow points to it. To the right of the 'Schedule On' radio button is a date and time selection interface. It consists of a text input box for the date, followed by three separate input boxes for 'Hour', 'Minutes', and 'AM', and a dropdown arrow.

'Schedule On' and fill in the date and time you want to send it.

4. Click 'Send'.
