

Create Link to Image

Note: It is helpful to write down or copy the web address (URL) that you wish to link prior to beginning the steps below. You will find this in the address bar of your browser while you are on the page you wish to link.

On a Blank Template:

1. Select the 'Add/Edit Image' button  by the image box you wish to link and go to step 3. If no images are present refer to [Add Image to Content Template](#) in the Help Menu to upload an image.

On a Form:

2. Click 'Browse Image';  refer to [Add Image to Content Template](#) in the Help Menu to upload an image.
3. Click the image.
4. Type or paste the desired web address (link) in the box in Step 4.

A screenshot of a dialog box titled "4 Create Hyperlink". The text inside the dialog box says "You may hyperlink the image by typing the web address in the box." Below this text is a text input field. At the bottom of the dialog box, there is a small example text "(e.g. http://www.immashub.com)".

5. When you click 'Insert'  in step 5 the image will appear in your content as a clickable button with the link attached.
