

Display/Hide Mobile App Details

Note: Choose which details you would like displayed in the header on your App.

1. **To display** details, first check the 'Display Agency Details' box.

A screenshot of a web form titled 'Display Agency Details' in orange text. A red arrow points to the first checkbox, which is checked. Below it are seven more checkboxes, all of which are also checked. The items are: Agency Name, Logo, Street Address, City, State, Country, and Zip Code. At the bottom is a checkbox labeled 'For Emergencies Dial 9-1-1', which is also checked.

- ☒ Display Agency Details
- ☒ Agency Name
- ☒ Logo
- ☒ Street Address
- ☒ City
- ☒ State
- ☒ Country
- ☒ Zip Code
- ☒ For Emergencies Dial 9-1-1

2. Check the box for each item you wish to display. Note: Agency Name, Logo and Zip Code must be displayed.
3. **To hide** the details, uncheck the box for each item you wish to hide or...
4. If you wish to hide all the details, uncheck the 'Display Agency Details' box.
5. Click 'Update'.
