

Delete Opt-outs

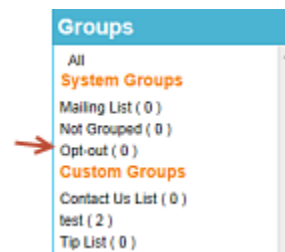

Note: To remain spam compliant you should not send emails to people who have opted out without their permission.

From the Dashboard:

1. Select 'Options' in the header.

2. Choose 'Email Contacts'.
3. Under Groups click on the 'Opt-out' group.

4. Check the box or boxes in Step 2 next to the contact(s) you wish to remove.

<input type="checkbox"/>	et
<input type="checkbox"/>	R
<input type="checkbox"/>	Rich

5. Select 'Delete Contact(s)' in the Actions box.

6. Confirm by clicking 'OK'.
