

Send/Copy Code for Content Widget

You have just generated the code for your content widget.

You now have two options:

1. If you would like to insert the code into your website yourself,

click 'Select Code'  to highlight the code.

2. Copy and paste the information into your site.

Or

3. If you would like to send the code to someone such as a website administrator, choose 'Send Code'. 

4. Enter the email address, subject line and a message.

* Email ID:

* Subject:

* Description:

5. Select Send. 

6. If you would like to change the code, select 'Change Code'  and you will be routed back to the generate page to make your changes.
