

## View Account Notifications/Messages

'Account Notifications' are communications from the Hub about your subscription. 'Messages' are sent from your App users via the Contact button(s).

For Messages:

1. When you click on the link  You have 1 App Message(s) you will be able to view all your messages and the date and time they were sent.

2. Click on the Subject link to read them.
3. The message will display along with details of the email address and/or phone number of the sender so you may reply to it.
