

## Change Image Order

Note: Changing the image order numbers allows you to control the order in which images display on the App.

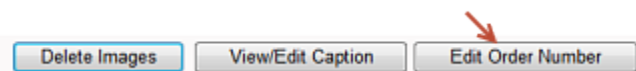

From the Dashboard:

1. Select the icon you have chosen for your image Gallery.
2. Check the box on the upper left of the image whose order you would like to

change.

3. Scroll to the bottom of the page and select 'Edit Order Number'.

4. Enter your preferred image order number. Note: The program allows you to use decimals (1.1, 1.2, etc.) between numbers so you can insert up to 9 images between two existing image numbers.

Enter Image Order Number:

5. Click 'Update'.

6. Select 'Go to Dashboard'.
