

Change Contact Name

Note: Contact Name should be the administrator whom customer service would contact about your account details.

From the Dashboard:

1. Choose 'My Account' in the header.

2. Select 'Contact Information'.

3. Enter your first and last names in the 'Name' fields.

First Name:	<input type="text"/>	Last Name:	<input type="text"/>
-------------	----------------------	------------	----------------------

4. Select 'Update'.
