

Change Contact Address

Note: This address will be used for administrative correspondence with the Hub.

From the Dashboard:

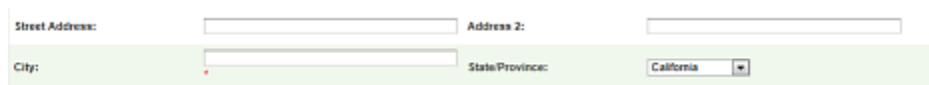

1. Choose 'My Account' in the header.

2. Select 'Contact Information'.

3. Enter your address in the 'Address' fields.

A form with four input fields. The first row contains 'Street Address:' and 'Address 2:'. The second row contains 'City:' and 'State/Province:'. The 'State/Province' field is a dropdown menu currently showing 'California'. There is a small red asterisk next to the 'City' field.

4. Select 'Update'.
