Add Text to Profile Details
From the Dashboard or Menu:

1. Select 'Mobile App'.

2. Select 'General App Settings'.

3. Go to Manage Description and click 'Continue'.

4. Select 'Add Text Block'.

5. Click the 'Add/Edit Text' button.

6. Enter your text. You may format your text using the editor tool bar. You may choose fonts, font size, color and font style from the drop down menus.

7. Note: This formats the text for the entire block.

8. When finished click 'Submit'.
