## Create Link to Image in About Us/Our Mission

Note: It is helpful to write down or copy the web address (URL) that you wish to link prior to beginning the steps below. You will find this in the address bar of your browser while you are on the page you wish to link.

On the About Us or Our Mission (in USPDhub) template:

1. Select the 'Add/Edit Image' button by the image box you wish to link. See [Add Image to About Us/Our Mission](#) in the Help Menu if no images are present.
2. Click on the image.
3. Type in or paste the desired web address (link) in the box in Step 4.

4. When you click 'Insert' in step 5 the image will appear in the content as a clickable button with the link attached.
