## Delete Audible Alert Sound
From the Notifications Manager Message Center on your desktop:

1. Select 'Options'   [Options]   on the upper left.

2. Choose 'Alert Sound'.

3. Click the 'Delete' link Delete to the right of the sound title you wish to delete.

4. Click 'OK'. [OK]

5. Select 'Options'   [Options]   again.

6. Choose 'Alerts' to be brought back to the Message Center.
