## Change Button Name

Note: The button names will display on your App as well as on your Dashboard.

From the Dashboard:

1. Select 'Options' in the header.

2. Choose 'App Buttons'.
3. Click 'Modify' Modify next to the button you wish to rename.
4. Type the name you prefer in the dialog box in the pop up window.

  There is a maximum of 13 characters.

5. Click 'Submit'. Submit
